English: B1 (Intermediate, CEFR)

Work setup: remote (preferred), hybrid, office; open to relocation and business trips

Business Assistant · Right Hand to the Founder

Experience (6 years 4 months as an assistant; 7 years 1 month total)

03.2025 — 09.2026 | **Business Assistant to the Founder and Project Manager, BCH Labs, remote**

Trading bot on the Solana blockchain. Team of up to 5: DevOps, ML engineer, Rust developers.

Key projects:

Operational management of the project (2025—2026)

Take deadline control and status reporting off the founder.

- Ran weekly sprints and daily calls, tracked progress for every contributor
 - Prepared status on deadlines and risks, kept planning and documentation in Notion — the founder got a ready picture of the project
- Result:** about 80% of sprint tasks closed; the founder no longer assembled status by hand

Hiring into the team (2025—2026)

Close engineering roles in a narrow stack — Rust and blockchain.

- Wrote job descriptions, built candidate forms via Google Apps Script and designed a three-stage selection process
 - Ran about 35 first-stage interviews and introduced a 100-point scorecard with a pass mark
 - Funnel: 107 applications → 35 interviews → 9 to take-home → 3 to system design → 3 hires
- Result:** a tech lead and two middle+ developers hired, all offers accepted

03.2024 — 08.2025 | **Technical Assistant, psychology groups, psychologist with a 31.2k audience, remote**

Online groups, 1 year 5 months; in parallel with ETICO.BY.

- Ran the groups technically: GetCourse and Zoom, distributing materials, chat moderation, payment tracking — the host was left with content only

11.2023 — 04.2025 | **Business Assistant to the Founder, ETICO.BY, premium renovation studio, Minsk**

Premium renovation of flats and houses. Up to 5 sites at once, 1–5 workers per site, 120+ projects delivered by the studio.

- Calculated cost estimates, ran material supply, payments and documents
 - Hired workers and crews to match scope, handled clients and site teams
 - Wrote training manuals on finishing works
- Result:** money, people and materials were on me; decisions stayed with the founder and we visited sites together

07.2023 — 11.2023 | **Content and Production Assistant, info-business: blog and online course, Minsk and remote**

Heavy load of 3–4 hours a day.

- Organised the course shoot, edited it in CapCut and built the visuals in Canva; shot and edited Reels; booked studios, hotels and flats to strict criteria; ran research to brief
- Result:** the course went from existing only on paper to packaged, edited and ready to launch, with homework materials

09.2016 — 11.2019 | **Assistant to the Head, CT-EXPRESS online school, Minsk**

First job, from year 11 at school, 3 years 2 months. Audience: students in years 9–11.

- Ran study groups and chats, produced visuals (posts, calendars, certificates), organised events, launched and ran the project's Instagram
- Result:** the school grew from one subject to three — Russian, biology, English

Other experience (details in the portfolio): 08.2023 — 04.2025 cartographer-editor at a cartographic enterprise (mandatory placement); 09.2022 — 06.2023 lecturer in cartography and academic process specialist at Belarusian State University.

Education

2017 — 2023 | **Belarusian State University, Minsk**

Faculty of Geography and Geoinformatics, Department of Geodesy and Aerospace Cartography

Cartography and geodesy, specialist degree; MSc in Geographical Sciences

Research on population density mapping of Belarus. Chair of the housing committee of the faculty trade union: paperwork, database, student accommodation.

July 2026 | **BELHARD Education Center** — «Data Analyst from Scratch»: SQL and window functions, statistics and A/B tests, Python, BI dashboards

Certificates

July 2026 | Certificate of completion, «Data Analyst from Scratch», BELHARD Education Center
